

CHAIRMAN'S MESSAGE

Dear Guest

Namaste and Warm welcome to Kandamath Heritage Resort.
Kandamath resort is managed by the direct owner

After the successful operation of Kandamath Lodge in 2012, we thought to create a bridge between Hospitality and Recreation , thus we came up with the idea of Kandamath Heritage Riverside Resort.

With the greatest pleasure, we are delighted to extend our hospitality to our guest at our resort. Our property will surprise you with its central location, high comfort and its river view.

At Kandamath Resort you will be welcomed by smiling faces and cheerful greetings. Every staff whether a front desk officer or a housekeeper will please you with their kindness, smiles and superior service. The hotel is dedicated to our guest by consistently delivering our services and amenities such as Barbecue , Campfire, Fishing and Taking a bath in the freshwater etc..

We are honoured to have you here on our official website which I hope you find interesting as well as informative. Please feel free to share with us any suggestions and ideas that may improve the quality of our service, amenities and facilities we provide.

On behalf of the Resort Management, I look forward to welcoming you here for an enjoyable stay. Please do not just take our words but also visit us once to feel it in real. We are looking forward to see you at Kandamath Riverside Resort
